The Lord wants you to experience real and abundant life:

Rom. 8:28 *And we know that in all things God works for the good of those who love Him, who have been called according to His purpose.* (NIV)

Are you blessed or are you cursed? Everyone who does not know the LORD as their Father and Jesus as their Savior are cursed because of their own sins. They are doomed to spend eternity separated from God in a place that was created for the devil and his fallen angels. In fact, this is the destination of every person who is born on this earth - unless they have trusted Jesus for their salvation. The LORD desires that everyone would come to Him for His forgiveness and receive His wonderful salvation. But most people will not. Because of their sinful desires and selfish attitudes, they will ultimately fall.

But here's the good news: even though all have sinned and fallen short of God's glory. Even though the wages of our sin is death. **Rom. 5:8** *But God demonstrates His own love for us in this: While we were still sinners, Christ died for us.* (NIV) And for all who have believed in Him and received this great salvation, we can now know that in ALL things, God is working for our good. Say it aloud right now: we know that in ALL things, God is working for our good. Not just in some things. Not even in most things. He is working in ALL things. And because of this, we are blessed beyond measure. What we were cursed with: death and separation has been replaced with: life abundant and blessed!

Let this day be a reminder to us all that we have a God Who loves us so much that He has blessed us and will continue to do so. **2 Tim. 1:12** *Yet this is no cause for shame, because I know Whom I have believed, and am convinced that He is able to guard what I have entrusted to Him until that day.* (NIV)

Dear LORD, You are working for our good today. We can experience this abundant life because of what You have done and what You are doing in us. We are blessed and not cursed! In Jesus Name, Amen
