The Lord wants you to experience real and abundant life:

**Joshua 21:45** *Not one of all the LORD's good promises to Israel failed; every one was fulfilled.* (NIV)

Even though there are many things in this world that seem to be changing all the time, there are also some basics or standards that do not change. If water becomes colder than 32 degrees, it will begin to freeze. If you jump off of 500 ft. cliff with no parachute or glider, you will fall to your death. If you cheated on a test in Mrs. Ross's class, and she found out, you would automatically get a zero on the test. If you sneaked up behind my grandpa and 'goosed' him, he would yell. Then there are things that fluctuate depending on outside circumstances.

It is good to know that there is something that is more dependable than anything else. It is the word of God. When He says He will do something, you can count it as done. Joshua knew that all of the things that the LORD had said would come to pass, did. An example was that the LORD had told the people of Israel to march around the fortress of Jericho once each day. But on the seventh day, they were to march around the city seven times and on the seventh time, they were to blow their trumpets and shout. The LORD said if they would do this, then the walls of the most fortified city of the time, would crumble and fall. AND THEY DID! When God says it, it is done!

We serve an absolutely dependable God. We never have to wonder if He is going to do what He has said. So when His word says that Jesus is coming back, HE IS! When He says that any one who calls upon the name of the Lord shall be saved. THEY ARE! What a firm foundation we have in Him. **2 Cor. 1:20** *For no matter how many promises God has made, they are "Yes" in Christ. And so through Him the "Amen" is spoken by us to the glory of God.* (NIV)

**Dear Faithful Father, we are so blessed that we can always depend on You and Your word. We will never be disappointed when You say something, because it will come to pass. Hallelujah! In Jesus Name, Amen**
