The Lord wants you to live in His liberty and freedom.

Ps. 84:11 *For the LORD God is a sun and shield; the LORD bestows favor and honor; no good thing does He withhold from those whose walk is blameless. (NIV)*

This psalm reminds us of the caring nature of our LORD. He watches over His children. He gives us warmth and light when we need it and protection from those as well. This is the loving nature of our Heavenly Father. One of the things that frees us up as Christians, is that we have a God that gives us the light that we need and protects us from the things that we don't. His light takes away any shadow and shows us what we need to see. His shield covers us and protects us from the attacks of any evil. Favor and honor is God's gift of grace. We receive this even though we don't deserve it. Now if that is not enough, He then will not withhold any good thing from us. No good thing will He withhold also reminds us that they are already appropriated for us. All we must do is receive them. This is for those who have trusted in the LORD for their salvation and atonement. We have been justified by faith and as such, we are seen as blameless in the sight of our Father. All of His wrath was poured out upon the Savior, Jesus Christ, upon the cross of Calvary.

Take just a moment this day and reflect on what this means to you. He is watching over you. He is protecting you. He is providing for you. And He is blessing you. What a wonderful Father we have and Glorious God we serve!

Dear LORD, thank You for reminding us each day of Your presence, Your protection and Your provision. Help us to walk as though we truly believe. In Jesus Name, Amen
