The Lord wants you to live in His light.

Rev. 21:23-25 *The city does not need the sun or the moon to shine on it, for the glory of God gives it light, and the Lamb is its lamp. (NIV)*

What a day that will be when we are in the presence of the King. We won't need the light of the sun because Jesus will be our light. There will be no more night. There will be no more darkness. Everything will be seen as it should be. We will be blessed that we can look upon the face of our redeemer.

While we look forward to that day, we are to walk in the light as He is in the light and have fellowship with one another. We should be soaking up the rays of Jesus as they shine upon us. This will be the same Shekinah glory that led the people in the wilderness. This will be the same Shekinah glory that resided in the Holy of Holies. When Jesus appeared to Saul of Tarsus on the road to Damascus, there was the brilliant light coming from Jesus that blinded Saul. Everything will be laid bare before the Maker of all things. Many people love the darkness because they are trying to hide their sins and shortcomings.

Get ready, because when Jesus returns, He will light up the world with His coming. Every eye will see Him. All will realize that He is Who He says He is. He is the Alpha and Omega, the beginning and the end, and He is coming soon.

Dear LORD, we look forward to always being in Your light. There will be no more night and no more pain. Hallelujah! In Jesus Name, Amen
