Love God

Luke 10:27 He answered, "Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind"; and, 'Love your neighbor as yourself.'
How To Love God with All Your Heart -

To love God with your heart means to love God no matter what you are feeling. It is an attitude of commitment and decision. God, I love you no matter what the circumstances of the day may bring. God, I love you if good things happen or if terrible things do. God, I just love you period!

This is the way God loves us...no matter what. That is loving with all your heart (commitment). When we love God like this, we are loving Him like He loves us; always, continually, purposefully. I will never leave you or forsake you.

Help me to love you with all my heart today Lord.
