**Because God loves you, He Provides- Part 85**

Did you know that God loves you more than anyone else could ever love you?

God proves His love to you by **His healing love**. **Ps. 147:3** ***“He heals the broken-hearted and binds up their wounds.”***

The Hebrew word for *heals* is **harofe** which means to make new or fresh, repair, purify, take care of, or completely heal. I think we have all had our hearts broken many times in our lives. We face so many situations of heartache and struggle in this fallen world. People can be very hurtful and can walk all over your heart. But, it is the healing love of God that allows us to be restored, renewed, mended and made whole again.

When it is not in your power to forgive, He gives you the strength. When you feel you can't go on, He lifts you up. When your heart is ripped in two, He will heal, mend and restore you. He knows your hurts. He sees and feels your pain. He is there for you right now. You can pour out your heart to Him. **1 Pt. 5:7** ***“Cast all of your cares on Him because He cares for you.”***

I'm reminded of an old song by Wayne Watson entitled *“Friend Of A Wounded Heart.”*

*Jesus, He meets you where you are  
Jesus, He heals your secret scars  
All the love you're longing for  
Is Jesus, the friend of a wounded heart*

Beloved, know this; there is one Who loves you more than anyone else could ever love you. He wants to heal your brokenness. He sees you and hears you. Call out to Him and He will surely come to your aid. He is always ready. And know this: **Ps. 30:5b** ***“weeping may stay for the night, but joy comes in the morning.”***

**Dear Father, thank You that You care so much for us. You see and know every hurt and every trial. You love to meet the deepest needs of our hearts. You are patient, kind, loving and healing. We praise You this very day for Your healing love. In Jesus Name, Amen**
