Because God loves you, He Provides- Part 93

Did you know that God loves you more than anyone else could ever love you?

God proves His love to you by **His permanent love**. **Isa. 54:10** *“For the mountains may be removed and the hills may shake, but My lovingkindness will not be removed from you, and My covenant of peace will not be shaken,” says the LORD who has compassion on you.*”

The Hebrew phrase for *loving-kindness will not be removed* is *vechasdi yamush* which means His favor, faithfulness, kindness and mercy will ***never be removed, depart or be taken away***. If there is one thing that you can count on above everything else in this world, it is the emphatic statements of God Himself. These statements are again a proclamation from the heart and character of God to the people He has created. And even if this world collapses; if the economy crumbles; if the mountains themselves fall into the sea, God’s love will remain. Nothing can stop His love. Nothing can stand against His love. Nothing could ever change His mind about how much He loves you. Even when you remove yourself, He is still there. When you run to a foreign land, He is there. When you withdraw into your own self, He is there. There is nowhere you could go that He is not right there with you and telling you that He loves you so.

Unlike people, who are motivated by their selfish desires and will turn away from you if you don’t meet their expectations; God will always be there. He says: ***I will never leave you nor forsake you***. That’s why we can assuredly say: God’s love is permanent.

Love lifted me out of the darkness into His glorious light. Love made a way for me to be forgiven, cleansed and made whole. Love has made a place for me to dwell in His presence forever. O what amazing love that we have been given. O praise the One Who gives and never takes His love away.

Dear Father, You are our only hope. You have given Your love and You will not be put to shame. You are steadfast and immovable. You will forever love us! Thank You LORD! In Jesus Name, Amen
