The Lord wants you to live in His light.

Ps. 103:17-18 But from everlasting to everlasting the LORDS's love is with those who fear Him, and His righteousness with their children's children-with those who keep His covenant and remember to obey His precepts. (NIV)

One of the greatest things about the love of God is that it is everlasting. Can you fathom what that word means? It literally means, that it will never stop; ever! There is nothing that we could ever do to stop the love of God. There is no sin so grievous. There is no place we could hide. There is nothing, absolutely nothing that could or would keep God's love from us.

Maybe today you could just take a few minutes and meditate on this passage from **Rom. 8:37-39** ***No, in all these things we are more than conquerors through Him who loved us. For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any power, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our LORD. (NIV)***

How amazing is that? The LORD loves you. He really does. And, He will always love you. You'll never have to wonder if He does. He has told us. He has shown us. He has proved to us, His unconditional love. He has paid the price for us. He made a way. He tore the veil. He has given His all for us. HALLELUJAH!!!

Dear Father, Your love is amazing. It flows deeper than any sea and reaches beyond the expanses of the universe. It accepts us right where we are. LORD, please cradle us in Your loving arms today. In Jesus Name, Amen
