The Lord wants you to live in His light.

Ps. 93:1 *The LORD reigns, He is robed in majesty; the LORD is robed in majesty and armed with strength; indeed, the world is established, firm and secure. (NIV)*

When you think of this world that the LORD has made, you might not realize the complexity of it. The Earth is hurtling through space a 66,000 mph and yet we don't feel the movement at all because of gravity. Our oceans are so vast and deep that only five percent have been explored. There is a place on earth that has not ever received any recorded rain - Antarctica.

These are just a few of the many amazing things in this world that God created. And, He holds all of these things together. He makes them all work. When Job questioned the LORD about why He did something to him, the LORD answered: **Job 38:1-11 *Then the Lord spoke to Job out of the storm. He said: "Who is this that obscures My plans with words without knowledge? Brace yourself like a man; I will question you, and you shall answer Me. "Where were you when I laid the earth's foundation? Tell me, if you understand. Who marked off its dimensions? Surely you know! Who stretched a measuring line across it? On what were its footings set, or who laid its cornerstone—while the morning stars sang together and all the angels shouted for joy? "Who shut up the sea behind doors when it burst forth from the womb, when I made the clouds its garment and wrapped it in thick darkness, when I fixed limits for it and set its doors and bars in place, when I said, 'This far you may come and no farther; here is where your proud waves halt'?" (NIV)*** And for three more chapters, the LORD spoke to Job about how He had done all of these things. Yes, the LORD is Almighty Creator and He holds all things in His hands! Can you praise Him that everything is held together perfectly by Him!

Dear LORD, You are so amazing. You hold all things in Your powerful hands. We know that You are in complete control. Help us to worship You as you so deserve. In Jesus Name, Amen
