Because God is Loyal and Faithful

Hebrews 11:11 – And by faith even Sarah, who was past childbearing age, was enabled to bear children because she considered him faithful who had made the promise. (NIV)

As you read through the book of Hebrews, you continually see the way God provides for His people. This is another example of a miraculous act of our loving Father. When Sarah first heard that at her advanced age, she would still be able to become pregnant and bear a son to Abraham, she laughed. I don't believe she laughed because she doubted God, but because she just thought she was too old. We are never too old or weak or any other list of excuses, to stop God from doing what He says He will do. Sarah found out that He was able to do more than she could ever think or imagine. And He still is. Maybe He has spoken to you and you have doubted Him. Just know this, when He speaks, He fulfills. The scripture is replete with examples of such. He protected Daniel from the mouths of the lions. He walked in the furnace with Shadrach, Meshach, and Abednego. He gave strength to young David to kill the lion and the bear. He watched over baby Moses and protected him in the basket floating in the Nile. You see where I am going. What God says he will do, He will do.

Not only did Sarah bear the child, but she also brought forth the promise that God had promised to Abaraham. This should remind us of all that we are never too old, too weak, too whatever excuse we can conjure up, to see the hand of God move in our lives. This is where faith makes it's most powerful statement: There is nothing too difficult for our God.

Maybe you are facing something today that you believe cannot be accomplished. But God can accomplish it through you, and He is able to do it. Trust the one who can help you say, I can do all things through Christ who gives me my strength.

Dear Lord, help us to trust you completely. You are able to do above and beyond anything that we could think or imagine. We trust you Lord. In Jesus name, AMEN
